Learn Homeopathy Now Welcomes New Students

Learn Homeopathy Now has a core curriculum consisting of a 45 Hour Certification Program in Homeopathy and a 27 Hour Certification Program in Bach Flower Essences. Both programs can be followed with ongoing Graduate Reunions. Beginners can enjoy additional workshops in Muscle Testing, and Hormone Balancing with Homeopathy & Bach Flower Essences. All seminars are taught by Shelley McQuerter, who founded Learn Homeopathy Now in 1993. She is joined by a talented homeopath and educator, Willow Tipton. They form a unique team with Willow's firm grasp of the Materia Medica and Repertory, and remarkable abilities in teaching formal case taking, combined with Shelley's background in Vibrational Medicine and Energetic Healing Modalities. Classes attract a wide range of Holistic Health Practitioners, Chiropractors, Acupuncturists, Psychologists, Doctors and Nurses and yet are also suitably geared for everyone's home healthcare. All students begin with the first, 3 hour Introductory workshops, which ambitiously provide you with the skills to make successful remedy choices. A surprising number of students become quickly impressed with the effectiveness of these remedies and go on to take more advanced workshops. Students can progress at their own pace, enjoying just a 3 hour class or continue on to our 12 hour seminars (see inside).
